

## Q6 - God is Good at Bread

God is good at Life and Bread: In this theme in our OSH classes we are learning that God is our **Creator** and **Provider**. In quarter 5 we studied stories of **life** (and death). God created life. He is in charge of life. Without Him we would die physically and spiritually. We are important to God. Through Christ He offers us eternal life. In quarter 6 we will study great **bread** stories from the Bible. We will learn that “bread” is the food/nourishment that God provides to keep life going on earth. He provides more than physical food, He provides Jesus, “the Bread of Life.” If you eat this bread you will live forever. God is good at life. God is good at bread.

## Family Study Questions:

*Make this a study for your entire family!*

Read Genesis 1-3

1. The Bible teaches that God planned everything before the world began. The more we learn about our world, the more we understand just how wonderful and vast His plan was. The lesson contains information about how plants provide food for us as well as oxygen. How many things can you think of that God uses plants to provide for us? Consider trees in your answer.
2. How do we use bread in the worship service every week?
3. How many places in the Bible can you think of where God uses bread, either figuratively or literally?
